## **PURPOSE AND SCOPE**

The International Journal of Eastern Mediterranean Studies is a national refereed academic journal published twice a year (July – January). The journal is an academic journal and aims to share qualified research and compilation articles in every field of Social - Cultural Studies and Literature with the scientific world.

The special purpose of the International Journal of Eastern Mediterranean Studies is to highlight the articles related to the completed master's and doctoral studies in the field of History, unlike other journals published in our country.

Its general purpose is to promote newly completed master's and doctoral studies and to organize science interviews that will enable them to highlight priority information that will enable them to participate in the scientific life, and to publish these conversations on the website [www.tarihburada.com](http://www.tarihburada.com).

In this respect, the International Journal of Eastern Mediterranean Studies will break new ground.

Our journal is a digital publication and is out of print.
