PURPOSE AND SCOPE

International Journal of Eastern Mediterranean Studies is an international peer-reviewed academic journal published three times a year (January-June-December) starting from January 2024. The journal may also publish a special issue once a year. The journal is an academic journal and aims to share qualified research and review articles in all fields of History and Literature, as well as Social - Cultural Studies, with the scientific world.

The special purpose of the International Journal of Eastern Mediterranean Studies is to highlight articles related to master's and doctoral studies completed in the field of History, unlike other journals published in our country.

Its general purpose is to promote newly completed master's and doctoral studies and to organize science conversations that will highlight priority information that will enable them to participate in scientific life, and to publish these conversations on the website www.tarihburada.com.

Our magazine is a digital publication and is not in print.
